- is presented in accordance with the requirements of Regulation 33 of the Listing Regulations

Basis for Opinion:

We conducted our audit in strict adherence to the Standards on Auditing (SAs) as mandated by section 143(10) of the Companies Act, 2013. Our responsibilities under these Standards are elaborated upon in the Auditor's Responsibilities for the Audit of the Financial results segment of our report. Our independence from the Company is in full compliance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI"), along with the pertinent ethical standards governing our audit of the financial statements, under the provisions of the Companies Act, 2013 and its associated Regulations. Furthermore, we have conscientiously met all other ethical obligations in alignment with these regulations and the Code of Ethics. We maintain confidence that the audit evidence gathered is both sufficient and appropriate to provide a basis for audit opinion.

Responsibilities of Management for the Standalone Financial Results:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial results that give a true and fair view of the financial position, financial information of the Company in accordance with the accounting principles generally accepted in India, including the measurement principles laid down in the Accounting Standard - 25, specified under section 133 of the Act, along with the relevant rule issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

CHARTERED ACCOUNTANTS

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis for accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial results:

Our objective is to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Standards on Auditing (SAs) will always detect a material misstatement when it exists. Misstatements can arise from either fraud or error and may influence the economic decisions of users taken on the basis of these financial results.

PARESH VORA & ASSOCIATES

CHARTERED ACCOUNTANTS

As part of the audit and in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and the Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease or to continue as a going concern.

PARESH VORA & ASSOCIATES

CHARTERED ACCOUNTANTS

- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Financial Results of the Company to express an opinion on the Financial Results.

Materiality is the magnitude of misstatements in the Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Results may be influenced.

We consider quantitative materiality and qualitative factors in-

- Planning the scope of our audit work and in evaluating the results of our work; and
- to evaluate the effect of any identified misstatements in the Standalone Financial Results

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
